

USER GUIDE / NAVIGATION AID

HOW TO: Search Job Postings

The screenshot shows the 'LocalVue' search interface. On the left, there are navigation tabs for 'Businesses' and 'Jobs'. Below these are search filters: 'Cities' (set to Miami), 'Zip Code or City for Job Search' (Miami), 'Search Term (job title or ONET Code)' (forklift), and 'Age of postings in days' (30). A 'Go' button is at the bottom of the filter section. The main area is a map of Miami with a red outline around the city center. A job listing window is open in the upper right, showing results for 'Warehouse Loader (Perishable)' at 'C&S Wholesale Grocers, Inc.' in Miami, FL. The window includes an 'Export Data' button and a close button.

1. In **LocalVue**
2. Select the **Jobs** search tab.
3. Choose your geography layer (**Cities or Zip Code**).
4. Choose your geo **range**.
5. Type in a **job title** or **ONET Code**.
6. Type in your **Age of Postings** limit.
7. **Click on the map** to select your desired location.
8. Results appear in the **upper right** job posting window. You can **Export** a list of open postings at any time.
9. Individual postings may be selected for more detail.

9. Individual postings may be selected for more detail.
10. Hyperlinks are provided directly to the active Job Posting and also to NLx Job Listings.

BONUS SEARCH TIP!!!

Some job titles are too broad or are more of a “description” vs. an actual title, and a text search may result in too many listings, or weak matches.

Adding quotation marks around your search term further refines the searching action and delivers tighter results.

The screenshot shows the Econovue job search interface. The search term is "technical support" and the location is Miami, FL. The results list shows 1-500 of 1,277 results. The first few results are:

- Results
- Salesforce Technical Lead - Public Sector
