# **HOW TO: Search for Career Pathways v2.0**

The screenshot shows the Econovue Career Pathways Explorer interface. The top navigation bar includes 'Intro', 'regionvue', 'localvue', 'prospectvue', and 'overview'. The 'prospectvue' tab is active. A search bar on the left contains 'dental assistant'. The main area displays a map of Louisiana with red pins indicating job locations. A sidebar on the right shows a 'STEP' list for 'Dental Assistant' (ONET: 31-9091.00) and 'Dental Hygienists' (ONET: 29-1292.00). The 'STEP 1: Dental Assistants' entry is expanded, showing details such as Median Wage (\$38,150), Job Zone (3), Registered Apprenticeship (Yes), Outlook (No), and Training in State (ETPL >> | IPEDS >>).

1. In **ProspectVue**
2. Select **Career Pathways** search tab.
3. In the Search Box type your ONET Code or Occupation Name.
4. Select **Construct Pathway**: This will generate a Career Pathway for your Occupation.
  - Selecting any Occupation will open a detailed info window about that occupation, including links to additional reports and resources.
